Log in with email

Use your email and password to access your account.

Enter password

Enter your password to continue.

Tap log in

Tap to log in and access your saved favourites and searches.

2 Search & Compare

Search for a grocery item and compare nearby store prices.

Type an item

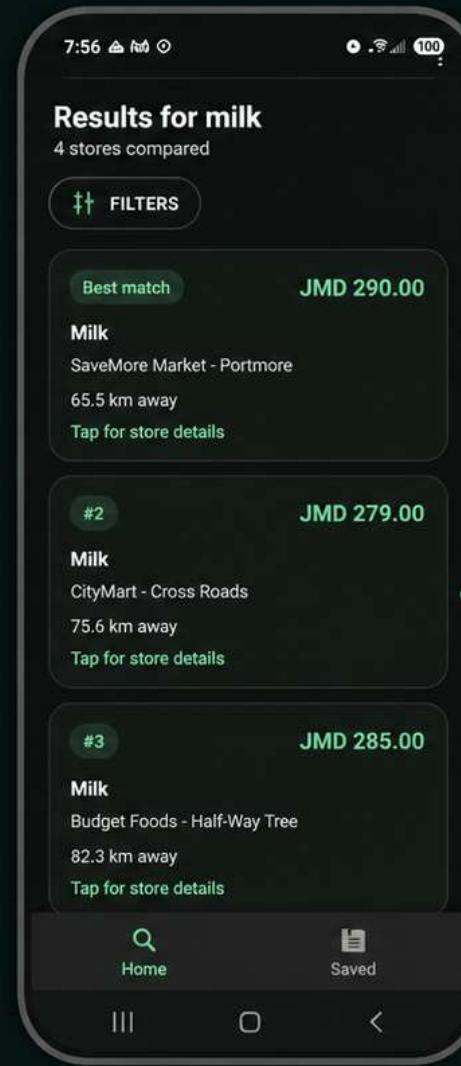

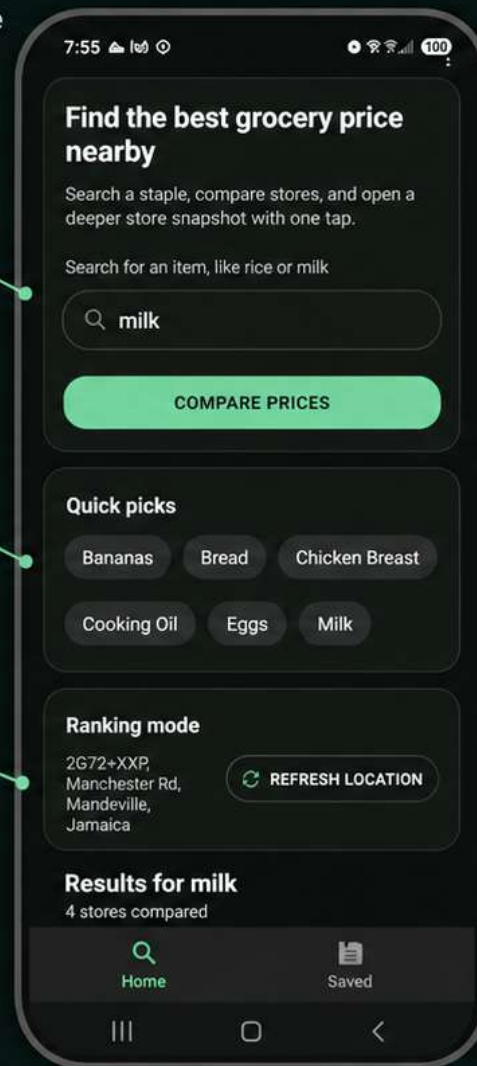

Search for a grocery item, like rice or milk.

Quick picks

Choose from common grocery items.

Refresh location

Update your location to get the latest nearby results.

Best match shown

Top store match with the best price.

Tap result for details

Tap any result to view store details and more information.

3

Filter Results

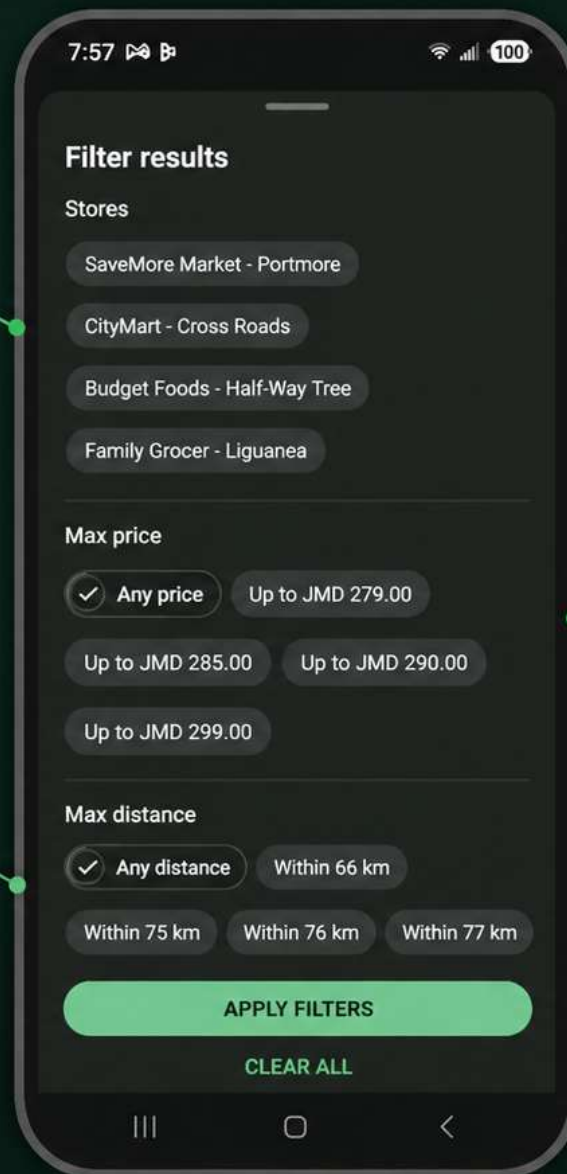

Narrow results by store, price, and distance.

Filter by store

Select one or more stores to filter results.

Limit distance

Set how far you're willing to travel.

Set max price

Choose a maximum price limit.

4 View Store Details

Open a result to see price, distance, and store information.

Best match

Shows the best match label.

Current price

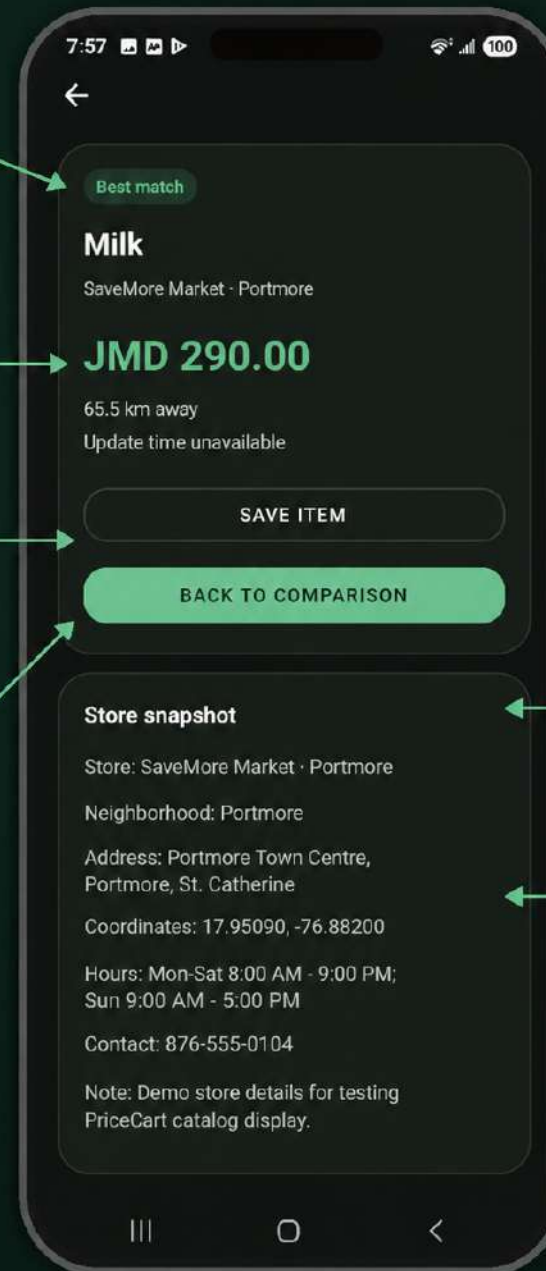

Displays the current price at the store.

Save item

Save this item for later.

Back to comparison

Return to the comparison results.

Store snapshot

Overview of the store details.

Address, hours, contact

View address, hours of operation, coordinates, and contact information.

5 Your Saved Hub

Access favourite items and recent searches from one place.

Signed in account

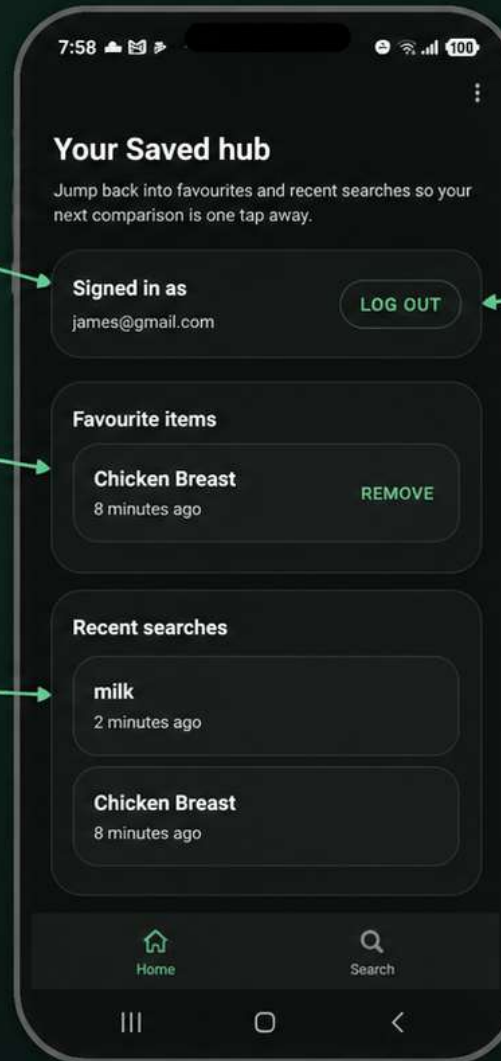

Shows the currently signed in account.

Favourite items

Access your favourite items quickly.

Recent searches

View your recent search history.

Log out

Sign out of your account securely.

Save time on every shop.

Everything you need,
right at your fingertips.
